Death of Mrs. J. M. Davis.

Mrs. J. M. Davis died at her home Thursday morning at 5:30 o'clock after a very brief illness. She was taken ill Wednesday night at about eight o'clock. Death was due to a blood clot on the brain. The last words she uttered were to her daughter immediately after being stricken, when she said: "I am paralyzed." She had been in bad health the past two years, but her sudden fatal illness was unexpected and was a great shock to her family and friends. Mrs. Davis was about 42 years old. She was formerly Miss Lilla McGowan, daughter of the late Reuben McGowan of the county. Mrs. Davis was a most estimable woman and had a large circle of friends. Besides a devoted husband she leaves four children, Clarence, Miss Pearl, Edward and Arnold to grieve the loss of a good wife and mother. She is also survived by a sister, Mrs. Mattie Werts, of Newberry.

The grief stricken husband and children have the sympathy of the community in their great affliction. The funeral services will be conducted by her pastor, the Rev. H. W. Stone, of the West End Baptist church of which she was a true and faithful member.

Services at the house this afternoon at 4 o'clock, interment in Rosemont cemetery.

Messrs Jene Spearman and Frazier Evans left Tuesday for Pittsfield, Mass.

Card From Sheriff Blease.

To the Democratic Voters of Newberry County:

By a handsome majority, I have been reelected to the office of sheriff. It is impossible for any man to be any prouder than I am of the confidence you have shown in me, and for the endorsement you have given of my administration, but in my pride I am humble, made so by the friendship you have shown me. If I live, I shall make you during the next four years a good sheriff. If possible, I shall even improve the record I have already made. I wish every man, woman and child in the county to feel that regardless of how they or their friends may have voted that I am their Sheriff and ever ready to answer any call to duty.

Respectfully,

Cannon G. Blease.

Maxwell Why pay more than \$595?

You say you want a really high grade automobile—a car that will compare favorably with your neighbor's—one that your family will enjoy. But you expect to pay well for such a car. Do you know that the Maxwell at \$595 offers you all of these advantages?

When you see it—ride in it—compare it—go over it carefully point by point—then you will realize that it offers you value equal to that found in most other cars selling for about one thousand dollars.

It's complete—electric starter and lights, demountable rims, one man top—all necessary accessories. And the engine is unusually durable and powerful. The Maxwell holds the world's endurance record, 22,000 miles without a stop of the engine. Then, too, there is economy—twenty miles per gallon of gasoline—7,000 to 10,000 miles per set of tires.

And this wonderful car sells for only \$595. Again we ask, why pay more?
